### RSS TEAM CONTRIBUTION

Resilient Support Services, Inc (NY SDVOSB) provided an in-depth analysis on the overall quality of work performed. Our report enabled Prime contractor and VA leadership to have access to on site information at their fingertips to identify opportunities to improve project performance, cost predictability, and provide a first-hand status of contract performance metrics in a timely manner. In addition, Resilient Support Services, Inc (SDVOSB) established an on-site culture of trust which enabled us to assist in solving challenges as they arose in a timely and cohesive manner, reducing costs, synchronization of effort, and economy of effort.

### Project Overview:

- Gerald B. H. Solomon Saratoga National Cemetery is a United States National Cemetery located in Schuylerville, New York in Saratoga County, New York. Administered by the United States Department of Veterans Affairs, it encompasses 351.7 acres (142.3 ha), and as of 2014 had over 14,000 interments.
- Resilient Support Services Inc. (NY SDVOSB) provided onsite Project Management Oversight for all efforts at the site from 11/2019 to 07/2020. We were responsible for coordinating with all on site contractors to ensure all efforts were proceeding as Contracts and task orders required. We also conduct in-depth daily reports to prime contractors for submission to the VA.
